General Approach

The aim of this Internet Acceptable Use Policy (AUP) is to ensure that pupils will benefit from the learning opportunities offered by the school's internet resources in a safe and effective manner. Internet use and access is considered a school resource and privilege. If the school AUP is not adhered to this privilege may be withdrawn and appropriate sanctions will be imposed.

When using the internet pupils, parents and staff are expected:

- To treat others with respect at all times.
- Not undertake any actions that may bring the school into disrepute.
- Respect the right to privacy of all other members of the school community.

This Acceptable Use Policy applies to pupils who have access to and are users of the internet in Holy Family Junior School.

Misuse of the internet may result in disciplinary action, including written warnings, withdrawal of access privileges, detention and, in extreme cases, suspension or expulsion. The school also reserves the right to report any illegal activities to the appropriate authorities.

Holy Family Junior School will deal with incidents that take place outside the school that impact on the wellbeing of pupils or staff under this policy and associated codes of behaviour and anti-bullying policies. In such cases Holy Family Junior School will, where known, inform parents/carers of incidents of inappropriate online behaviour that take place out of school and impose the appropriate sanctions.

Holy Family Junior School implements the following strategies on promoting safer use of the internet:

- Internet safety advice and support opportunities are provided to pupils in Holy Family Junior School through our ICT classes and SPHE
- Teachers will be provided with continuing professional development opportunities in the area of internet safety.

This policy and its implementation will be reviewed annually by the following stakeholders:

- Board of Management, teaching staff, support staff and parents

This policy has been developed by a working group including: Principal, Deputy Principal, teachers, pupils, parents/carers, and representatives of the Board of Management.

The school will monitor the impact of the policy using:

- Logs of reported incidents.
- Monitoring logs of internet activity (including sites visited).

Should serious online safety incidents take place, the school principal / deputy principal should be informed.

The implementation of this Internet Acceptable Use policy will be monitored by Mr. Enda Hickey, Principal.

Content Filtering

Holy Family Junior School has chosen to implement the following level on content filtering on the Schools Broadband Network:

- Level 5 This level allows access to millions of websites including games and YouTube and allows access to personal websites category, and other similar types of websites, such as

blogs but blocks access to websites belonging to the personal websites category and websites such as Facebook belonging to the Social Networking category.

Web Browsing and Downloading

Pupils should not intentionally visit internet sites that contain obscene, illegal, hateful or otherwise objectionable materials.

Pupils should report accidental accessing of inappropriate materials in the classroom to their teacher.

Pupils and staff should not copy information from the internet without acknowledging the creator and referencing the source of the content.

Pupils and staff should be aware that any usage, including distributing or receiving information, school-related or personal, may be monitored for unusual activity, security and/or network management reasons.

Pupils and staff should use the school's internet connection only for educational / career development activities.

Pupils should not engage in online activities such as uploading or downloading large files that result in heavy network traffic which impairs the service for other internet users.

Pupils should not download or view any material that is illegal, obscene, and defamatory or that is intended to annoy or intimidate another person.

- Use of file sharing and torrent sites is allowed with staff permission.
- Downloading by pupils of materials or images not relevant to their studies is allowed with staff permission.

Written permission from parents or carers will be obtained before photographs of pupils are published on the school website.

Pupils must not share images, videos or other content online with the intention to harm another member of the school community regardless of whether this happens in school or outside.

Sharing explicit images and in particular explicit images of pupils and/or minors is an unacceptable and absolutely prohibited behaviour, with serious consequences and sanctions for those involved. Sharing explicit images of other pupils automatically incurs suspension as a sanction.

Cyberbullying

When using the internet pupils, parents and staff are expected to treat others with respect at all times.

Engaging in online activities with the intention to harm, harass, or embarrass another pupil or member of staff is an unacceptable and absolutely prohibited behaviour, with serious consequences and sanctions for those involved.

Measures are taken to ensure that staff and pupils are aware that bullying is defined as unwanted negative behaviour, verbal, psychological or physical, conducted by an individual or group against another person (or persons) and which is repeated over time. This definition includes cyber-bullying even when it happens outside the school or at night.

Measures are taken by Holy Family Junior School to ensure that staff and pupils are aware that bullying is defined as unwanted negative behaviour, verbal, psychological or physical, conducted by an individual or group against another person (or persons) and which is repeated over time. This definition includes cyber-bullying even when it happens outside the school or at night.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, do not fall within the definition of bullying and will be dealt with, as appropriate, in accordance with the school's code of behaviour.

The prevention of cyber bullying is an integral part of the anti-bullying policy of our school.
